ORVIATO

INSERT HOOD

Orviato provides professional grade performance, while being discreetly mounted inside cabinetry above the cooktop. Inserts are ideal for kitchens where space is limited, or where ventilation needs to be out of sight. Orviato is available in 27", 33", and 39" wide models with a 600 CFM blower, or a 45" wide model with 1200 CFM blower for extraordinary ventilating power. Heavy duty stainless steel push button controls operate the 4 speed blower and halogen lighting. Easy maintenance, higher efficiency and a cleaner kitchen are ensured by Elica's patented Baffle Slot Filters, which capture a higher % of grease and hold larger volumes of grease than traditional baffle filters.
