

Monessen Solstice Vent Free Insert
EASY. BEAUTIFUL. AFFORDABLE.

There is no easier way to turn your old, inefficient firebox into a beautiful, affordable heat source than a vent free gas insert from Monessen, the leader in vent free technology. The Solstice delivers superior heating efficiency and stellar good looks without the high cost of extensive renovations or construction. The instant you turn it on, it will be love at first light.

New from the leader in vent free technology, the Solstice vent free insert.

Features

- Clean transitional style suitable for any space
- Choose from a variety of finishing options from traditional logs to sleek fireglass media, to make the Solstice suit your space and taste
- Operates without power, so you'll never have to worry about another cold winter night, even if the grid is down.*
- Ventless design and zero clearance makes installation easy and affordable
- Expansive viewing area
- Available in millivolt or EcoLogic® control
- 135 cfm blower standard
- Easy access control panel

EcoLogic® Control Standard Features

- Cold climate pilot optional setting
- Battery back up
- Variable Hi/Lo flame control
- Electronic ignition

EcoLogic® Control Optional Features

- Hand-held remote control
- Three step remote flame control (includes RMSC remote and receiver)

*The intermittent pilot ignition (IPI) feature of the EcoLogic® equipped inserts requires four (4) AA batteries.
