Stainless Steel with Brushed Stainless handles and knobs

CGS700P4MW2  
Matte White with Brushed Bronze handles and knobs

## FEATURES & BENEFITS

Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K power boil burner to boil water quickly for al dente angel hair pasta

Precise control delivers consistently delicious results - Achieve perfectly even desserts with accurate heat circulation thanks to True European Convection with Precise Air

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Never scrub racks - Easily remove everything from heavy roasts to delicate desserts with never scrub racks that stay in the oven during the self-clean cycle

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks
