**Tenaya is a slim, transitional design** with gentle radius features that make it perfect for today's contemporary kitchens. This beautiful design includes features that make it a pleasure to use and easy to maintain.

- The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. Three-speed blower control exhausts at 300 CFM.
- Smooth-flow blower wheel design and high flow filters ensure quiet, 1.2 sone operation at normal speed.
- Bright, two-level LED modules—supported by a 3-year warranty—illuminate evenly and are tested in cooking environments to ensure long life without dimming.
- Tap-touch, 3-speed capacitive control features a smooth, easy-to-clean surface.
- Dishwasher-safe, micro-mesh filters provide efficient grease removal. The filter clean reminder ensures they will always maintain a high level of capture.
- EZ1 brackets make it easy for single-person installation in less than half the time of traditional methods.
- ADA compliant, remote operation is possible using a standard UL approved wall switch (kit sold separately).
- Non-duct capable with use of charcoal filters, sold separately. Hidden louvers on top of hood exhaust away from cabinetry.
