

Whirlpool Model: WED5100HC

7.4 cu. ft. Top Load Electric Dryer with Intuitive Controls

Color Chrome Shadow

Product Description

Create customized cycles for your large capacity electric dryer in a few touches for the right fabric care. A dryer sanitize cycle uses higher temperatures to sanitize items like towels, while the Wrinkle Shield™ option helps keep wrinkles from setting into clean clothes. And to save energy, the EcoBoost™ option uses less heat while providing the same great drying performance.

Specifications
