

## 42" BUILT IN SIDE-BY-SIDE REFRIGERATOR DYF42SBIWR

### Performance

- Preserve food and drinks longer and fresher with Digital Inverter Technology that runs the compressor using only the power it needs which ultimately contributes to lower temperature fluctuation of  $\pm 0.9^{\circ}\text{F}$  or  $\pm 0.5^{\circ}\text{C}$
- Protecting flavor and aroma for fresher tasting food with two independent evaporators

### Convenience

- Easily store different sized bottles and/or containers with adjustable slide and fold shelves
- Softly close doors and keep cool air in, with self closing hinges that ensures tight and smooth closure
- Easy access to clean filtered water with the external ice and water dispenser
- Reduces power consumption when refrigerator is not in daily use

### Craftmanship

- Easily view what's inside your refrigerator with LED Spotlighting
- MetalCool Stainless Steel interior helps maintain consistent temperature as well as being aesthetically pleasing
