

Whirlpool Model: GC900QPPB

15-inch Convertible Trash Compactor

Color  Black

Product Description

Easily install this convertible compactor to take care of the trash anywhere. With a portable design, it can even go in the garage or pantry. The generous 1.4 cu. ft. capacity holds more, so you can take the trash out less. Easy Rollers™ installation wheels help you position the compactor where you want it. Plus, the Touch-Toe™ provide hands-free opening. A light tap of the toe does the trick, releasing the drawer with ease. What's more, you get Touch Pad controls on the Clean Touch™ console. Its smooth surface has no dials or switches so it wipes down easily with the simple swipe of a cloth.
