16 cu. ft. Upright Freezer with Frost-Free Defrost

Color White

Product Description

Put a spotlight on your frozen favorites inside this 16 cu. ft. upright freezer with LED interior lighting. Activating Fast Freeze quickly drops the temperature to help lock in freshness and flavor, and the temperature alarm will notify you if your food gets too warm. This upright freezer prevents frost build-up for a hassle-free defrosting experience with frost-free defrost. Plus, you can choose the ideal temperature for whatever frozen foods you're storing with electronic temperature controls, and you can be sure there is plenty of ice on hand with the optional icemaker.
