Front Load Washer with OptiWash™

Dimensions
Required dimensions for installation with pedestal:

Installation Specifications – Side-by-Side or Stand-Alone
If the washer and dryer are installed together or the dryer alone, the closet front must have two unobstructed air openings for a combined minimum total area of 72-inch². Your washer alone does not require a specific air opening.

Connection Dimensions
Back view of washer

LEGEND:
• Cold Water Connection
• Hot Water Connection

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
Installation Specifications – Stacked Pair
Clearances indicated are for stacked pairs. The closet front must have two unobstructed air openings for a combined minimum total area of 72-inch².

Connection Dimensions
Back and side views of stacked pair

LEGEND:
- Cold Water Connection
- Hot Water Connection
- Gas Connection

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
