## GE Profile™ Series 30 in. Built-In Single Convection Wall Oven

### Dimensions and Installation Information (in inches)

Most 30" Wall Cabinets can be used with this unit.

**Note: These ovens are not approved for stackable installations.** Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating.

Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

**Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.**

**Installation Information:** Before installing, consult installation instructions packed with product for current dimensional data.

Side-by-side installations require at least 2" between cutouts.

KW Rating	
240V	4.5
208V	3.4
