## Convection Oven

**Model : RBCO-N1U**

\*Each oven has individual electrical connection

### ≡ FEATURES & BENEFITS ≡

- **Prestigious exterior design**  
An exterior design that fits well in open-type kitchen elevating the ambience of the bakery.
- **Hot air and steam**  
Motor and propeller generate even flow of air inside the oven to enable even colorization of product.
- **Door switch cutoff for fan – thermal heat reflecting double glass doors**
- **Precise temperature control**  
Sensitive to room temperature and actual temperature of oven.
- **Stacking option**  
Additional (1) oven stacking available.
- **5 menu saving functions**
- **Bi- directional 13.2” fan**
- **60 minute timer**  
Flashing timer that signals heating time has started and is running.
- **Stainless steel interior and exterior**
- **Fully insulated, completely sealed**
- **Space for 5 full- size trays (18”x26”)**
- **Included bottom rack**
