

BC25 Beverage Chiller

Brushed Stainless Steel

An ultimate entertainer's feature, the 25" DCS Beverage Chiller is a deep, fully insulated compartment that can hold up to 17 gallons of ice to chill your refreshments. The Accessory, designed to house 1-liter bottles, can be installed at the front of your Beverage Chiller, freeing it up to be used as an outdoor sink.

Dimensions

Depth	21 15/16"
Height	12 1/16"
Width	26 3/8"

Features & Benefits

Flexible storage

The DCS beverage chiller comes with removable condiments storage containers with transparent lids. It is deep enough to store tall wine bottles.

Multi purpose

The DCS beverage chiller can be plumbed to convert to an outdoor 25" sink.

Premium quality design

Made from 304-grade stainless steel, and featuring insulated double-walled construction, the DCS beverage chiller is built to last.

Family match

The neutral stainless steel finish and consistent detailing ensure DCS built-in products install seamlessly into your counter top and cabinetry palette.
