Signature Features

WiFi Connect

Wherever you are, you've got cooking down. Because now you can control advanced features, such as a no preheat option, pizza mode and snack mode, all from the Smart HQ App.

Quick clean

Good with cooking but not with cleaning? No worries. This Haier range with Quick Clean steam-cleaning technology makes removing baked-on cooking spills fast and easy.

Oven cooking modes

Cooking made easy - there's an app for that! This foodie-friendly app helps you select the right cooking mode for your favorite treats, like baked goods, frozen pizza and frozen snacks.

9"/6" adjustable burner

The flexible feature that matches your cooking style. The 9"/6" burner adjusts to the size of your pot for just the right amount of heat.

Hidden bake

Busy lifestyles don't stop for cooking spills. Hidden bake element sits beneath a smooth surface, making cleaning fast and easy.

Backlit color-changing oven knobs

In the city, streetlights show the way. On your oven, backlit color-changing knobs do the same. LED knob lights illuminate to show which cooking mode has been turned on.

Fan convection

Smart design elevates your baking. Oven fan continuously circulates heated air for more even baking and roasting results.
