

# Vitreous China Ceramics

## CARE & MAINTENANCE

- Rinse thoroughly and use a soft cloth to wipe the product dry after each use.
- Soft abrasive cleaners may be used when necessary to clean vitreous china products. Strong abrasive cleaners can scratch and dull the surface.
- Effectiveness of cleaners can depend on such factors as the hardness and temperature of the water, using exact measurements of ingredients, changes in cleaning formulas and the condition of the product being cleaned. Please keep this in mind.

Some suggested cleaners:

Lysol Bathroom Cleaner  
Soft Scrub Gel with Bleach  
Soft Scrub Lemon Cleanser  
Tilex Bathroom Cleaner  
Clorox Disinfecting Bathroom Cleaner  
Comet Bathroom Cleaner  
Fantastik Antibacterial Heavy Duty  
Green Works All-Purpose  
Method Bathroom Cleaner

**In rare instances of or any surface rust or stain removal:**

- Bar Keepers Friend or Bon Ami

A note of precaution: Do not store open containers of cleaners or chemicals such as acids, bleach, sodium chloride, lye, toilet bowl cleaner, drain cleaner, or hard water stain removal products under your sink.
